

Swap easy. Ride easy.

----INTRODUCING ----

ACTIVAE

Honda. Who Else!?

Driving Zero Boundaries: Honda's Path to a

Sustainable Future

We at Honda are committed to achieving zero environmental impact by 2050 through our Triple Action to ZERO initiative: carbon neutrality, clean energy, and resource circulation. We are advancing global electrification, enhancing resource recycling, and leveraging 100% carbon-free energy. By implementing Life Cycle Assessment (LCA), our goal is to reach net zero CO2 emissions and establish carbon-neutral operations worldwide.

Electrify up your ride with the all-new Activa e:, where cutting-edge design meets dynamic electric performance. With innovative Honda e: SWAP Technology, you can swap batteries within a minute and keep moving, no matter where the road takes you.

Bold, and eco-friendly, the iconic Activa e: is built for the future.

The Activa e: is more than just a ride-it's a revolution.

Electrify Your Dreams

Styling

Redefine your style with sleek, modern sophistication.

Sophistication redefined

A design that captivates at every glance.

Stylish LED lighting
Enhancing style while ensuring safety in low visibility.

Smart rear design Energy-efficient LEDs paired with a strong and sturdy grab-rail.

Streamlined elegance*

Clean edges and refined design for a polished finish along with body colour mirrors.

*Body colour mirrors are part of optional accessories.

Diamond-cut alloys

Premium style meets a smoother, more refined ride (for both rear and front).

Technology

Seamless innovation for modern mobility.

Swap easy. Ride easy.

- » Swap within a minute at your nearest Honda e: SWAP station for fully charged batteries.
- » No worries about charging the battery, just swap & ride in style.

» Honda e: SWAP takes care of battery maintenance, so you don't have to.

Activa e: Honda RoadSync Duo® App Stay Connected, Ride Effortlessly

The Activa e: Honda RoadSync Duo® App unites your smartphone and Activa e: for a seamlessly connected ride.

- Navigate*
 Easily find your way with reliable navigation.
- Linitiate Calls*
 Enjoy the seamless connectivity on the go, all the while your full focus stays on the ride.
- Control Music*

 Play and manage your music effortlessly at your fingertips.

- Swapping Stations
 Locate your nearest
 e: SWAP Stations.
- Reminders*
 Get maintenance
 reminders & vehicle
 diagnostics.

Smart Key - Unlock in style

Powered by H-Smart technology, the Honda Smart Key unlocks a world of convenience with features designed to enhance your Activa e: experience.

Smart Find

Locate your Activa e: in parking lots or low-light conditions with the answer back feature.

Smart Unlock

Skip fumbling for your keys- the Honda Smart Key makes unlocking seamless.

Smart Safe

Your Activa e: stays secure, even when you're not around.

Smart Start

Start your Activa e: without taking the Smart Key out of your pocket.

In-Vehicle Infotainment

Smart, Clear, and Connected Riding Experience

- » 17.78cm (7") Dynamic TFT display for sharp, clear visuals*.
- » Honda RoadSync Duo for seamless mobile integration*.
- » All essential information at a glance.
- » Day & Night modes for optimal clarity.
- » Control everything with easy toggles.

Riding Modes

A mode for every mood

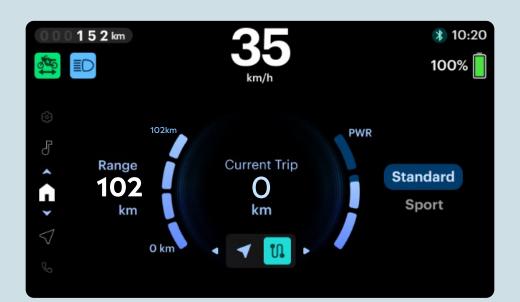

Econ Mode:

Maximizes efficiency by reducing power, softening acceleration, and extending range for a greener ride.

Standard Mode:

Balances power and efficiency for smooth acceleration and everyday comfort.

Sports Mode:

Enhances performance with increased power, sharper acceleration, and higher speed for a thrilling ride.

^{*} This feature is available in the Activa e: Honda RoadSync Duo® variant only

Comfort & Convenience

Effortless Comfort, Unmatched Convenience.

Motor Excellence for Power Performance

- » 6 kW powerful motor that hits 80 km/h efficiently.
- » Smooth & Quick acceleration for effortless rides.

Engineered for confident and comfortable rides

Reverse with ease. Enables smooth backward movement for effortless parking and manoeuvring in tight spaces.

Twin-fork suspension for smooth, confident rides.

Disc brake provides control and confidence during quick stops.

Integrated frame and power unit Exclusively designed for swappable battery to enhance structure, stability, and rigidity of vehicle.

Dual Pockets with 15W USB-C Port Enjoy your ride. It provides quick charging to your smartphone, power bank, earphones on the go.

Stylish front fender and cowls
Aerodynamically designed eliminating
pressure build up and contributes to
nimble handling.

Stunning Colours

Choose the shade that complements your vibe.

Pearl Shallow Blue

Pearl Serenity Blue

Pearl Igneous Black

Pearl Misty White

Redefining excellence in Service & Maintenance.

Get 3 FREE services in the first year.

3-years / 50000 kms warranty, whichever comes first
