

INTRODUCING THE ALL NEW RIDEYOUR

WHAT'S RIZZ?

It's the vibe. The confidence. The kind of presence that turns heads before you even say a word. Now imagine riding that.

With the **Honda CB125 Hornet**, you don't just commute, you arrive. It's for the riders who want more than just a machine. It's a statement on wheels. With style that's unmatched, performance that packs a punch, and tech that keeps you connected. This bike isn't just about the ride. It's about **riding your rizz**.

PERFORMANCE THAT DOESN'T HOLD BACK

TECHNOLOGY

TFT METER

Best-in-class display that's clear, bright and easy to read whether it's day or night.

All your key ride information is displayed clearly up front, with a modern look and three brightness levels for easy viewing.

Distance to Empty (Range)

Real-Time Mileage

Average Mileage

Honda RoadSync

Get real-time weather updates for any location

Make or manage calls right from your CB125 Hornet.

Manage messages via voice commands

Reach anywhere via turn-by-turn navigation

ENGINE STOP SWITCH

Now turn off the engine at red lights & other brief stops more conveniently with engine stop switch.

SILENT START WITH ACG

Honda's unique ACG starter motor removes gear meshing noise and helps start the engine without a jolt.

FUEL INJECTION

PGM-FI

The impressive Fuel Injection System constantly fine-tunes the air/fuel mix, adjusting it multiple times per second.

125cc ENGINE

The latest innovation in the engine is ahead of its time and delivers powerful performance while meeting the highest standards of environmental responsibility.

This feature adds both convenience and a premium big-bike feel that instantly stands out.

TWIN SIGNATURE HEADLIGHT

A striking dual design that is sharp, aggressive and instantly recognizable. It lights up the road and your style.

ALL LED LIGHTING

Better visibility, longer life and sleeker design. LED lights ensures excellent visibility on the roads and help you ride smart and sharp day or night.

STYLISH SPLIT SEAT

Designed for comfort with a stylish edge. The split seat amplifies the CB125 Hornet's athletic stance and adds everyday rideability.

Stylish in looks, powerful in function, the muffler is built to turn heads and boost performance.

STYLISH ALLOY WHEELS

Alloy wheel design that accentuates the stylish character

COMFORT & CONVENIENCE

MONOSHOCK REAR SUSPENSION

The five-step adjustable monoshock keeps the center of gravity balanced. The result is improved handling, especially on corners and in traffic.

UNIVERSAL USB C CHARGING

The built-in USB-C port keeps your phone charged on every ride. Its weather-resistant design adds durability and a modern edge that tech-savvy riders will appreciate.

Honda EXTENDED WARRANTY 10 YEAR COVERAGE

3+7 YEARS WARRANTY PACKAGE

Complete peace of mind with 10 years warranty package, comprising 3 years standard and 7 years optional service warranty.

SAFETY

1-CH ABS

Confident braking made simple. Whether it's an emergency stop or a wet road, the CB125 Hornet's ABS offers better control and consistent safety.

SIDE STAND ENGINE CUT-OFF

Adds to the safety of the rider, it cuts off the ignition if the vehicle is put in gear when the side stand is engaged.

WIDER REAR TYRE

Wider rear tyre means more grip, better road contact and greater riding confidence. It's built to handle whatever the road throws at you.
